# Merry Christmas

## ... the BJC Roundup

BOISE JUNIOR COLLEGE

December 8, 1944

### Home Economic Dept. Hears Speaker

Vocational opportunities for Home Economic majors are being stressed by a series of nine outside speakers in the Introduction to Home Economics class. These speakers are covering the class time of the three weeks before term exams.

#### Home Management Discussed

The first speaker was Betty Stalker, Home Management supervisor of the Farm Security Administration. This work deals directly with people, discussing their problems with them. Loans are made to farmers for farm implements and home improvements in an effort to bring up their standard of living. These workers give advice on finances, budgets, planning, and organizing.

#### Nutritionist Speaks

Mrs. deBuse who is the Nutrition Consultant of the State Department of Public Health outlined the positions open in the field of nutrition. These include dietitians in the army, hospitals, restaurants, and lunch rooms who plan well-balanced menus, handle the accounts, and supervise the work. Commercial positions are open in big companies where, for example, recipes are tested. Public health nutritionists supervise school lunch projects. They work with groups around town stressing the importance of nutrition.

#### Home Making Featured

Mrs. Scharf of B. H. S. spoke of the values of Home Economics to homemaking. She cited the relation of chemistry to everyday things such as soap, cleaning solutions, and to foods, and nutrition. The well-trained person makes

better use of her time. Life is more interesting because of her cultural training from the course and it is easier because of her greater skill and planning ability. Housekeeping is more fun when you know more about it and can do it better, Mrs. Scharf said.

#### Food Uses

Miss Devalon of the Food Inspection of the Department of Agriculture told of her type of work. This department sets the minimum standards for grade labeling which canning companies must meet. Whenever a company wants to use a U. S. grade label, a food inspector is sent out to check the processes and sanitation used. Inspectors check foods used by the army. One of their chief activities here in Idaho is to check potatoes for enzymic, water content and for scorch. People in this field should have a great deal of training in chemistry, nutrition, and bacteriology.

#### Field Work

Mrs. Givens told of the extension work which is open to those trained in Home Economics. Extension work is a division of the Department of Agriculture. Extension workers go into communities to teach people better methods of food preparation, the importance of nutrition, and various aspects of house maintenance. They publish many pamphlets which are used in their work.

#### Future Speakers

Other speakers who will be heard on work at the Idaho Power Co., Marjorie Thompson on Business, Mrs. Harrison on Family Life, and Miss Navratil of Home Economic Education.

### Spanish and French Clubs Plan Activities

The French and Spanish clubs of B. J. C. are planning great things for the future. This year, as in the past years, they will present the annual language plays under the direction of Mrs. Power. This year they are going to constitute a part of the students oral term test.

The two clubs have, as one of their projects, the pleasure of contacting foreigners who are residing in Boise. Each club has an honorary member. The French club's honorary member is Mrs. Madeline Montandon. The Spanish club's member is Mrs. Rosa Dardon Thornton, a native Guatemalan. Both clubs hold monthly meetings, where they entertain guests, play games, sing and discuss future plans. All the speaking is done in the language they are studying.

At the present time, they are learning Christmas Carols. These carols are to be sung at the Christmas formal, Friday, Dec. 15.

The most exciting event of the third year Spanish club was the trip they took several weeks ago. The students took their lunches

and went to a beet field to talk to the Mexican workers during the lunch hour. Both the Mexicans and the students enjoyed it very much. The students had an opportunity to apply what they've learned and it gave the workers an opportunity to make new contacts with us.

The Spanish club will hold a Christmas party at their next meeting. This party will consist of all Spanish customs and games.

These two clubs have many other projects in the making, so if you can speak either language fluently, see Mrs. Power.

### Students!

Get your money in next week. Friday, Dec. 15 is the deadline. If you want your picture in the annual, you better take heed of our warning. Harold Raper, chairman of the pictures for the annual, announced that Jasmin would take the pictures for the small fee of \$1.00 apiece. The students are urged to bring their money.

Next week, the latter part, you will not have your wits very much about you, so bring your money Monday or Tuesday.

### Won't You "Dance With the Dolly?"

Come to the Student Union this evening at 8:30 and "Dance With A Dolly." For the sum of only twenty-five cents, you can witness a superb floor show, enjoy an evening of dancing, and have the satisfaction of knowing that your quarter is helping some refugee. **Featured Floor Show and Music**

The floor show will be composed of several numbers arranged by Pat Nickels and her school of dancing pupils, plus our own college talent. The music will be furnished by I. K. Knight, Lyle Steaman. The music will be the newest dance recordings by the "Smoothest Bands of Swing."

#### Open Dance

The dance is open to all people, so urge all your friends, young or old to attend. Tickets can be obtained from any Valkyrie or at the Valkyrie concession in the Student Union during the noon hour.

All proceeds from this Valkyrie dance will go to the Refugee War Relief Fund. So, come if you can and if you can't, buy a ticket anyway. It is for an important cause.

Mary Beth Garretson is chairman of the Benefit Ball. She is

being assisted by Bonnie Jean Pigg, Liz Tage, Illa Mae Armstrong, and Carol Peterson. Mrs. Adams, Mrs. Aust, and Miss Tharp will be present as the chaperons. Be sure and come to the dance. Remember, tonight is the night.

### Will Ye Help Clothe Me?

### LYCEUM TICKETS ARE ALL SOLD

The job is done. The lyceum tickets have been sold out, Miss Falk, chairman, stated today. All the money is not in yet, but the major part is. There is a sufficient amount so that an estimate could be made.

The first program will be sometime in January, and the balance of the programs will be stretched over the time from January until April, on each month. These programs have not yet been given the final okay, but they promise to be good.

Miss Falk thanked the students for their cooperation and also the faculty.

## DID YOU DO YOUR SHARE?

Where is our War Loan drive? Where are all the bonds we bought? Where is our nice, big quota we met? Where is the U. S. treasury banner flying on our flag pole? And you have no answer, do you?

Do you know what we're speaking of? Yes, it is the Sixth War Loan drive that B. J. C. didn't have, Remember?

You have no excuse. The Minute Maids were there. At every assembly, they stood with their stamps and bonds ready to sell. Oh! you are busy. You are over worked. You have too much to do. Isn't that too bad?

We ask you to take a look at other colleges and schools. They met their quotas and they got their flags and they saved some lives. Look at Junior High School. They have their flag and the oldest person in the school isn't over thirteen.

It is about time some of you awakened from your deep sleep. This is December 8, 1944. Think back three years, and then, maybe you can see your way clear to buy a ten cent stamp.

## Merry Christmas!

The long awaited Christmas vacation is already just around the corner, one week to be exact. Have you noticed the faces of the co-eds and college Joes? It is one of those sad yet glad looks. Sad because exams are just around the corner, and glad, because vacation is, too.

Your BJC reporter has been keeping his ear open to the question "What are your vacation plans? Gathering up bits of gossip from here and there it has been found that most of the students are doubtful as to just exactly what they are going to do, but one fact is for sure, lots of relaxing is in the offering.

Tommie Lou Vaughn is just going to work. She doesn't know where or when, but she'll be working.

Bob Gess says that unfortunately he will probably be working, too.

Phil Bailly is going to sell shoes at Whillock's, for the good of his country.

Sherm Coffin is going to WORK. WORK? WORK!

Yvonne Rutten is going to be different. She is going to slave at her job.

Gloria Bull is going to be out to a farm for a week. We don't know whether it is to see the farm or the farmer.

Lynn Cox is going to focuss all his attention on a certain girl. He says she is real wonderful, and we agree with him.

Nick Roberts is going to go Christmas Caroling.

## BUZZ, BUZZ, BUZZ WENT THE MOTOR

Any day, any week, almost any hour, you see them buzzing and zooming over the college. These little red, yellow, blue, black, and silver planes are always in the air. You look at them every time they go flying by, and wonder. Then one does a crazy turn, or turns off its motor too quick, and you do wonder.

But, you needn't worry, because usually it is one of the instructors showing a student how to fly. They show the students what to do in case of emergency and what not to do in the same case.

Lots of students in school have

the flying bug. Shirley has been badly bitten by Koll flies during all the time he has. Opal has gone up only once, but on the idea. Frances is going up, for Mr. W. sake. He wants to see tons.

Lots of the others would go up, but they can't see time or the flyer. They and look at the planes they were up there, too. This next week. Can you any better way to get tests than by going up literally?

## QUIZ KIDS HEYDAY LOOM DEAD AHEAD

Arriving in all innocence at B. J. C. today, I expected it to be like any other day. However, the following series of incidents proved wrong.

As I entered the door, I noticed a group of students in the hall, joking and laughing among themselves, but ten seconds later they disbanded with dejected spirits, worried faces, and nervous twitchings. The cause of this seemed to lay at the feet of a long-faced character, who joined the group, uttered a few mournful words, and then departed. I thought, "What a kill joy he must be."

As I made my way to my first class, I passed a friend in the hall, but there was no response to my cheery "Hi." She didn't seem to see or hear me; I had the feeling that her mind was focused on some foreboding eventuality.

Upon entering my class, I didn't find the expected gossip center—instead every girl was in her seat intent upon some reading material.

After class, I started down the stairs only to be run into by Ray Koll, stumbling under a burden of books. "Very unusual, yes, very," I thought. He was closely followed by a trio of muttering girls—each absorbed in her own thoughts and mutterings.

I began to wonder if B. J. C. had turned into a mumbling and stumbling collection of individuals.

Here I am surrounded by who only yesterday seemed normal. Surely there is an explanation.

I tried to stop several begging them to tell me son for this violent change tossed me off with looks and pity while others looks of envy. But, at last a so called friend—broke or should I say reminder am now a member of the so worried" brigade. I want to know—well stupid are coming up, remember.

## THANK YOU NOTE:

Attention Miss Gerry

We, the Roundup Staff thank you. You are the person who answered our material that could be used paper. We want to thank the joke books and for the in which you contributed sincerely wish all the students the school would cooperate us and follow your example. The Roundup

leave 25 cents in Mrs. Burke's office. A definite interest is being shown toward this worthy cause.

Tommie Lu Vaughn is working on the style show for an assembly to be given sometime in January. This promises to be an entertaining as well as educational showing.

The council decided on the date for the military fireside to be held at the college. Due to so much activity being put into this last month, it was decided that Jan. 19 would be the most convenient time to have the next one. Eileen Stevens has been put in charge of the entertainment for that evening. All the girls who signed up and were not invited to the last fireside will be invited to this one.

Wrappings By B. J. C.

Are you in the armed services? You aren't. Sorry, then the Red Cross Wrapping Service is not for you. The girls from BJC are going out to Gowen field every Sunday and wrapping the Christmas gifts of the boys out there. The paper and ribbon is furnished by the Red Cross and merchants in Boise.

The paper is particularly attractive and the ribbon is the best money can buy this year. The gifts really look attractive when they are finished. They get the plain service wrap, because of the shortage of paper and ribbon.

The girls that have been working on this project are Betty Jo Jackson, Jene Leggat, Isabel Jones, Jane King, Eileen Brewster, Maxine Gross, Ruth Brosa, Ellinor Wright, and Jean Barber. These girls are instructed by Mrs. Fairchild and Mrs. Arfman. They serve every Sunday from 2:30 to 9:00. They work in shifts.

free wrapping service and the girls volunteered to help with the wrapping. The fellows are mighty happy about it.

Buy War Bonds!

Tra-la-la-la-la  
La-la-la-la-la-la-la-la

The music department has many and varied plans for the Christmas vacation. Mrs. Forter has announced that the girl's ensemble will have a very full schedule during the holiday season. Their initial appearance was at the three one-act plays given Dec. 5.

The ensemble will give their annual Christmas concert at St. Michael's cathedral Sunday, Dec. 10 at 4:00. The public is invited to this affair that promises to be one of the most tuneful of the Yuletide season.

The girl's trio is busy with their plans, too. Annalee Speer, Glen-eva Clift, and a third member to be selected, will sing at the "Hanging of the Greens." This festival is held annually at the Y. M. C. A.

The music department also has plans for the girls to sing at various service clubs around town and at the Air Base. Nothing can make a boy feel better than a good rousing Christmas carol, and the B. J. C. girls are just the ones to sing them.

Members of the ensemble are Hope Holiday, Gleneva Clift, Judy Rose, Idaleen Myers, Annalee Speer, Edith Mays, and Betty Kuchenbecker.

The Dance  
Before Christmas

Next week at this time, what better thing do you have to do than come to the Christmas formal? This dance promises to be one of the outstanding affairs of the year and Louise Towne is the chairman. Louise and her committees have been working very hard on the dance and they would like to see a good turn out.

The dance will be held in the Assembly hall and dancing will commence at 8:00 sharp. The date of the dance is Thursday, Dec. 14. The theme of the dance is to be "The Night Before Christmas." All the faculty is invited and activity tickets will admit the students.

This will be your chance to kick up your heels, give your teachers those wonderful looks, because exam week will be over, and you will be your own good, free man once more.

So, we'll dance with you at the dance.

Duchess Chosen at  
Golden Plume Ball

A large crowd attended the Golden Plume Ball, which was held in the Student Union Friday night. The dance is an annual affair which is sponsored by the Golden Plume chapter of the Inter-Collegiate Knights.

The theme of the dance was "Always." Decorations were carried out in accordance with the I. K. colors of blue and gold.

The program which was held during the intermission included a dance by Evelyn Zamzow, songs by the Trio, and piano selections by Carl Hill. Highlight of the evening was the presentation of Carol Peterson as duchess. Following this ceremony refreshments were served.

Music was furnished by the Roy Howell orchestra and dancing lasted until 12:30.

The traditional announcement of the I. K. duchess was witnessed by a gala crowd at the Golden Plume ball. Ross Pullium proudly presented Carol Peterson as the knight's choice of duchess. Amidst the applause of the crowd Carol accepted a bracelet, given to her as a token of the affair by the knights. Following this presentation she expressed her appreciation of the honor in a short acknowledgement.

Carol was graduated from New Meadows high school in 1942, where she was valedictorian of her class. She has been attending B. J. C. for the past two years.

Miss Peterson's escort was Ralph Frasier, who is an alumnae and

Carol Peterson Chosen to Reign  
Over I. K. Ball

a charter member of the knights. All agreed that Carol, looking very charming in powder blue, made one of the loveliest duchess we have ever had.

Dance Chairman

Louise Towne Plans Dance

Clothes of "Me Lady"

Suits are coming with the traditional skirts and sweaters among the college crowd. Yvonne Martin is dashing in her red and black plaid suit. Helen Jones wears a refreshing green one, Illa Mae Armstrong a cheery yellow one. Evelyn Conroy's brown suit and coat is simply luscious. Hope Holliday is strictly feminine in her soft blue and white check. Mary Beth Garretson wears a smooth beige one.

Among the ever popular nubby-knit sweaters, Elvira Chaney's white one is adored by a pair of silver wings. Shirley Purcell plays up to the pinks and reds. Speaking of colors, Eileen Morris is lovely in pink and Elizabeth Tague is well known in brown.

Juanita Montgomery has an exciting red coat with a bright blue lining. For the cutest thing in shoes, notice Betty Kuchenbecker's darling black swede wedgies by "Joyce".

At the I. K. Ball, Gloria Bull was in white, while Louise Towne and Bonnie Jean Pigg wore black. Duchess Carol Peterson wore a lovely blue taffata.

# The Boys Reach for a High One

Buckner, Lund and Cox Start Practice for Games

## This Team of Ours

The B. J. C. has a basketball team to be proud of this year. The Broncos have played four games so far this season and won all four of them.

### Gowen Game

Nov. 24 the Broncos played the Gowen Field Rangers and defeated them to the tune of 51-29. The starting lineup was composed of Jim Reed, Pug Lund, John Tate, Lynn Cox and Aurelius Buckner. Buckner led the team with 12 points and Cox and Gess closely followed with 8 points each.

There was a good turnout at this game and the encouraging cheers gave the boys incentive to win.

Two games were played last week, the first with Gowen Vandals and the second with the Gowen Standardization Board. The Vandal team is composed of men who formerly played basketball in Idaho and they offered stiff opposition for the Broncos. The Standardization Board team members were all overseas veterans. They had the best team the Broncos have encountered so far.

The Broncos defeated the Vandals with a score of 58-41. In this game Jim Reed was shifted from the position of guard to forward

and Lynn Cox was shifted to guard. Aurelius Buckner again was high point man, cramming in 22 points, John Tate was second with 12 points. The Broncos started out with a bang in this game and had a 20-0 lead in the middle of the second quarter, but the Vandals finally got on the ball and slowed the boys down.

### Workout With Gowen

The game with the Standardization Board really made the Broncos work hard to win. The opponents were leading over the Broncos up until the last quarter when Buckner sparked the men to a narrow win. The final score was 35-32. Buckner again led the team in scoring by making 17 points. Tate and Cox were second each with 10 points. Buckner and Lund were both put out on fouls in the last quarter. The student turnout for these games was nothing to brag about. Most of the spectators were army personnel. Wednesday night there were only three B. J. C. students out to see the game.

The next two games will be Dec. 7 and 9, when the Broncos will meet the College of Nazarene. Thursday night's game was played in Nampa and Saturday they will play a return game here.

### Tickets

Season tickets for the B. J. C. games may now be purchased at Sib Kleffner's or from Lynn Cox. Adult tickets \$3.00 and students \$1.50. The B. J. C. students will be admitted by activity tickets.

Come to the games and support our team.

## W. A. A. NOTES

Stunt night, which was Friday, Nov. 24, was proclaimed a success by its sponsors, members of the Women's Athletic association, even though the college was represented by only one male. The W. A. A. takes this opportunity in expressing thanks to Bob Bush, the only boy who participated, who was this lone male. He played the games with the girls. The girls were from B. J. C. and the C. of I.

On this night the W. A. A. from the College of Idaho were entertained by the W. A. A. of Boise Junior College. They had a chilli supper in the Student Union, after which volleyball games were played in the gym. Mrs. Poteet fixed the girls such a good supper, that they could hardly play volleyball.

Yvonne Martin was general chairman of the affair and Gail Coffin was in charge of the games.

\* \* \*

Plans are underway for the W. A. A. to raise funds to buy each of its members sweat shirts or sweaters of the same kind and color. It has not yet been decided just how the funds will be raised, but the girls have not had much trouble for lack of ideas.
